Do you have any concerns about Patient Safety?

How to raise concerns regarding 'Patient Safety Issues'

- All students can raise concerns regarding patient safety, dignity and privacy issues.
- Go to the HUB > Front page > Datix Incident Reporting on the right of the page and raise your concern using the form provided.
- For advice, you can contact any one of the staff members on this poster in the first instance.

'Freedom to Speak Up' Guardian

If you are unsure who to raise a concern with, contact:
Rebekah Plant (rebekah.plant@nhs.net - Ext 3111) or
Philippa Brazier (philippa.brazier@nhs.net - Ext 3469)
our Trusts' 'Speak Up Guardians'

For any unresolved concerns, please consider raising your issues with your medical school.
